

COME ON HOME

Zanuck Lindsey, Lopaka Ho'opi'I, Michael Ruff, Staci Karaski

**Don't know how I ever ended so far from home
Tell you the truth, I miss everything about you
No amount of money is worth the pain
Nothing that I can do could ever substitute being with you
Everywhere I go, everything I do
I hear the island calling**

Come on Home

**To the perfect weather, Hawaiian music we can sing together
Miss you with my heart and soul, Come on Home
Na Na Na, Na Na Na, Na Na Na Na Na Na Na Na Na**

**Can't believe the time has gone so fast
Who would ever think, even before you blink
You're missing the things that matter the most, yeah
If life is what you make it, then I'm gonna take it
I'm coming home as fast as I can
Everywhere I go, everything I do
I hear the island calling**

Come on Home

**To the perfect weather, Hawaiian music we can sing together
Miss you with my heart and soul, Come on Home**

Come on Home

**I know it's been a long long time
Everything's goona be just fine
Miss you with my heart and soul, Come on Home
Na Na Na, Na Na Na, Na Na Na Na Na Na Na Na Na**
